## About Us

The founders of August Home Care Services have over sixteen years of experience as healthcare providers. With a solid background as an experienced Registered Nurse and Healthcare Administrator in the area of home care and acute rehabilitation, the founders of August Home Care Services had the opportunity to meet people and hear what they want most out of their home care services and formed this company to provide just that.

### Mission Statement:

*Our mission is to provide our clients with the highest quality of care that is dependable, trusted and professional which will prolong independence and preserve dignity in the comfort of their home.*

### Our Vision:

*At August Home Care Services, our vision is to be the leading home care provider with exceptional care and the highest clients satisfaction in the communities we serve.*

### Our Policy:

*At August Home Care Services, our vision is to be the leading home care provider with exceptional care and the highest clients satisfaction in the communities we serve.*
